

Terra collection
by SMS arquitectos

The Terra collection brings together a group of objects made from recycled terrazzo.

Paperweight, tray, display,
coaster, cutting board,...

1. G2222. 22x22x4cm. 3,2kg.
2. G184. 18x44x4cm. 6,1 kg
3. G189. 18x44x9cm. 15,2kg.

Each piece is unique.
There is a pattern that
marks the style but the
singularity in its
manufacture makes that,
depending on the
combination of
aggregates, every object
turns out a unique piece.

1

Paperweight, tray, display,
coaster, cutting board,...

1. G22D. 22x4cm. 2,4kg.
2. G30D. 30x4cm. 4,5kg.

2

The structure of the pieces is defined by simple shapes that emphasise the natural texture of the cement and the various recycled aggregates.

Coaster, tray,...

1. C20. 20x20x2,5cm. 2,2kg.
2. C40. 20x40x2,5cm. 5,2kg.

1

2

In accordance with the circular economy, the objects are made of concrete binding together chips of marble, hydraulic tiles and terrazzo, giving them a new life.

Table

1. TA70D. 70x40cm. 46,3kg.

Each piece can be personalised (the colours, the aggregates, the shapes, the textures and the sizes) according to the client's preferences.

Side table

1. TA2556. 25x56x40cm. 72,4kg.
